

Która gwiazdka jest największa, a która najmniejsza? Pokaż.  
Pokoloruj największą gwiazdę na żółto, a najmniejszą na niebiesko.  
Pozostałe gwiazdy pokoloruj na inne, wybrane przez siebie kolory.

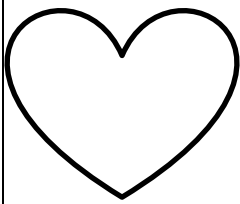

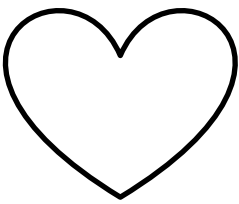

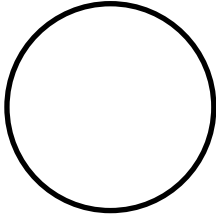

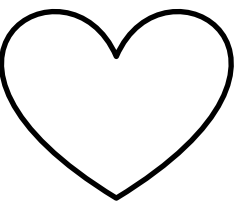

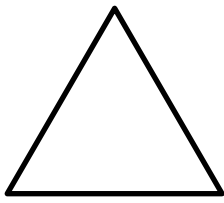

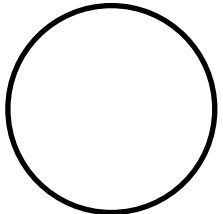

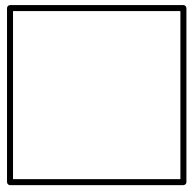

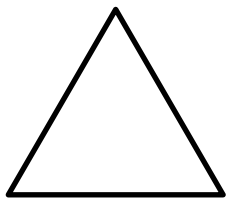

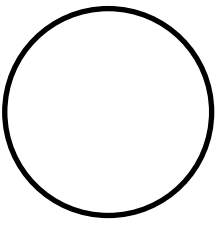

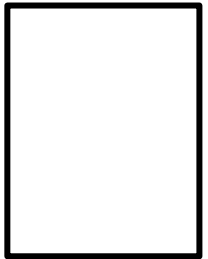

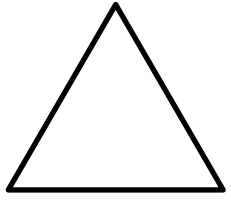

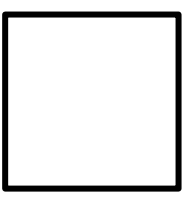

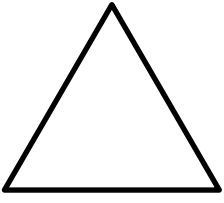

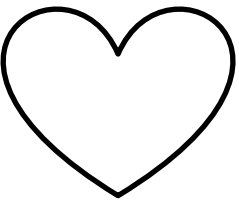

Pokoloruj wszystkie serduszka na czerwono, kółka na pomarańczowo,  
a trójkąty na zielono. Policz i zapisz w okienku ile jest:

Rysuj po śladzie. Dorysuj elementy, aby razem stworzyły obrazek.

Dokończ rytmy.

Stwórz własne puzzle. Narysuj obrazek w tabeli i rozetnij wzdłuż przerywanych linii.
